

PC

PETER J CASHIN

MINING EXECUTIVE | STRONG LEADER

PROFILE

I am dynamic, self-motivated, bilingual, team-oriented, innovative and analytical.

I have successfully risen from mining operations to executive ranks through active and focused involvement in strategic operations planning.

Founder and leader of two Québec Critical Mineral Companies.

SKILLS

Excellent writing and communication skills, with experience creating high-quality content.

Extensive knowledge in all aspects of project development from exploration to mining engineering and metallurgical process development.

Strong social media management skills, with experience in developing and executing social media strategies.

EXPERIENCE

MULTICOMMODITY EXPLORATION PROFESSIONAL • 1979 TO 2007

Over 40 years of experience on all aspects of mineral project development in Copper, Zinc, Silver Gold, Nickel, PGE and Uranium.

CRITICAL MINERAL PROJECT EXECUTIVE • 2008 TO PRESENT

Spent the last 15 years in Critical Mineral project discovery and development (Strange Lake REE and Crater Lake Scandium-REE). Moved the projects through advanced stages of development from resource definition to Pre-Feasibility studies. Active participation in public consultation efforts has afforded me excellent personal and working relations with northeastern Québec Indigenous community leaders.

EDUCATION

MASTERS • 1985 • MCGILL UNIVERSITY

Completed the Applied Mineral Exploration degree program.

BACHELORS • 1979 • UNIVERSITY OF NEW BRUNSWICK

Received a degree in Geological Sciences – Honours.

LEADERSHIP EXPERIENCE

Built and led multidisciplinary mineral exploration and mine development teams to effectively and efficiently advance projects in Canada, USA, Chile and Indonesia. Most recently led my teams to discovery and advanced development of the Strange Lake Rare Earth and Crater Lake Scandium-Rare Earth projects, Québec. Was the recipient of Québec's Prospector of the Year award in 2010 for the Strange Lake Project success.
